Subject: Dimock Investigation -- QAPP and Analytical Data

Rupert,

A few questions regarding the Dimock Investigation:

- QAPP – Can Cabot get a copy of the QAPP being used for the project?
- Analytical Results – Can Cabot get a copy of the EPA's analytical results? We would like to be able to share the data generated through the split sampling with the EPA, as well as with the PADEP.
- Sampling Work Plan – Is the copy of the Sampling Work Plan we received from Rich on 01/20/12 still the current version?

Thanks,
John
